

PRIVACY POLICY

You can visit our website without telling us who you are or revealing any information about yourself. However, if you give us any personal information about yourself or others we promise to treat it securely, fairly and lawfully. We are committed to protecting your privacy.

COOKIE POLICY

Cookies are small text files that are placed on your computer by websites that you visit. They are widely used in order to make websites work, or work more efficiently, as well as to provide information to the owners of the site.

None of the information we gather via cookies identifies you as an individual – it is entirely anonymous

The table below explains the cookies that are currently used by this website:

Cookie	Type	Duration	Description
Viewed Cookie Policy	Persistent	1 Year	This cookie tracks your response to the cookie policy and ensures that on subsequent visits to the site that the acceptance button is not automatically shown again unless the cookie has expired.
_utmb	Persistent	30 minutes	This cookie is used to establish and continue a user session with the website. Each time a user visits a different page on the site, this cookie is updated to expire in 30 minutes, thus continuing a single session for as long as user activity continues within 30-minute intervals. This cookie expires when a user pauses on a page of the site for longer than 30 minutes.
_utmc	Session	Session	This cookie operated in conjunction with the _utmb cookie to determine whether or not to establish a new session for the user.
_utmz	Persistent	6 months	This cookie stores the type of referral used by the visitor to reach our site, whether via a direct method, a referring link, a website search, or a campaign such as an ad or an email link. It is used to calculate search engine traffic and page navigation within our site. The cookie is updated with each page view to our site.
__utma	Persistent	2 years	This cookie is typically written to the browser upon the first visit to this website from a web browser. This cookie is used to determine the number of unique visitors to the website and it is updated with each page view.
